Welcome! WELCOME

On behalf of Kunkel Simmentals, I welcome all of you to our 9th annual bull & female sale. We are a family run operation that raises both purebred and commercial cattle, along with small grains.

The bulls are getting fed a ration that consists of chopped hay, corn silage, distillers, grain corn, and a complete mineral package. All the crops are home grown. The only things that are purchased are the distillers and mineral. We fed the same ration to the bulls for the past couple of years and had excellent feedback on how the bulls held up through the breeding season.

Once again, this year we will be offering free feeding, semen testing and delivery up to 250 miles from New Salem, ND on all the bulls. The bulls will be fed the same ration but will slowly be backed off after the sale. This is done to ensure longevity.

Herd health is a big priority to us. All the calves receive Vista Once SQ, 7-Way/Somnus, and are injected with Long Range in May. At the end of August, they were given BoviShield Gold-One Shot and 7-Way/Somnus. The bulls were weaned on September 23 and received booster shots of Bovi-Shield Gold 5, Somubac, poured with Dectomax, Valbazen, and repoured with Dectomax on 1-8-23. The bred heifers in the offering have been ultrasound tested for pregnancy, poured with Dectomax, and have received Virashield 6 + VL5 HB and first round of Scourguard 4KC. They will be boosted the week of the sale.

Due to all the snow that we have received at the time I am writing this, we decided not to take any individual lot pictures this year. I'm glad I spent a day last fall out in the pasture taking pair pictures. This way you can see what the cows look like. We are still going to shoot videos on each lot in the middle of January. We strongly encourage visitors prior to the sale. The bulls will be at the ranch until February 1st; then they will be moved 1.5 miles north to the sale facility. Watch for signs.

Thank You for your interest in our program. Feel free to contact me with any questions you might have. Visitors are always welcome, as we invite you out to the ranch ahead of time to see the sale offerings for yourself! See you all at the sale!

Sincerely,

Kunkel Simmentals

Dusty & Kayla Kunkel

Home: 701-843-7006

Cell: 701-471-5342

E-mail: kdkunkel@westriv.com

Location of sale:

4351 County Road 85, New Salem, ND 58563

Arrowhead Inn (New Salem).....	701-843-7100

Bismarck is served by American, Delta, Frontier and United Airlines.

Color & Polled Guide

Homozygous Black - All calves will be black if mated to a black or non-dilutor red cow.

Heterozygous Black - If mated to a non-dilutor red cow ½ the calves will be black and ½ will be red.

Homozygous Polled - All calves will be polled.

Heterozygous Polled - If mated to a horned cow ½ of the calves will be polled and ½ will be horned.

Non-Dilutor - If mated to a heterozygous black cow, ½ the calves will be black and ½ will be red. If mated to a homozygous black cow, all calves will be black.

Dilutor - If mated to black cow, you might get a grey calf.

Important Notes:

- Free feeding, semen testing and delivery up to 250 miles from New Salem, ND, on all bulls purchased.
- The bred heifers will need to be picked up within a couple of days after the sale due to their calving dates so close to the sale. If you are thinking about buying heifers, we encourage you to bring your trailer with you.
- **WE WILL NOT DELIVER ANY HEIFERS AFTER THE SALE. Buyers are responsible for picking them up or make prior arrangements with Kunkel Simmentals.**
- All EPD's were current as of 12-6-22.
- All cattle sell under the standard terms and conditions of the American Simmental Association. (Available upon request.) At no time shall Kunkel Simmentals be responsible for more than the purchase price of the animal.
- We will be selling 100% possession and interest on all bulls & females sold. We reserve the right to collect 100 units of semen on any of the bulls for in-herd use only. This will be done at the seller's expense and the buyer's convenience. Please contact me if you have any questions.
- Kunkel Simmentals will not be responsible for any lost or stolen items or liable for any personal injury.
- An insurance representative will be available on sale day. We strongly encourage the buyers to take insurance at least through the first breeding season. Full liability is assumed by the buyer when the gavel falls. Kunkel Simmentals is not responsible for injury or accidental death.
- Complimentary donuts and lunch will be served.
- Refreshments after the sale.

 Dam is a first calf heifer. Bull has a disposition score of 2.

Bred Heifers Start Here!

Please bring your trailer to the sale!

The bred heifers will need to be picked up within a couple of days after the sale due to their calving dates so close to the sale. If you are thinking about buying heifers, we encourage you to bring your trailer with you.

ALLOWING YOU ACCESS... All value creation starts with great genetics and every genetic purchase must provide the potential to enhance profitability to this industry. With the expansion of our genetic improvement and customer service opportunities, the Allied mission continuously improves and moves closer to its goal of making our customers more successful and the beef business a more profitable and thus sustainable industry for the future.

You can count on genetics purchased from Allied partners to be the very best in this business, backed by a growing family of Allied service offerings to back that value proposition.

Allied Feeding Partners, LLC and Feeder Cattle Marketing: Cattle generated by Allied owner's customers just have more genetic potential to create profit and we are committed to proving it. Contact Clint Berry 417-844-1009 at Allied Feeding Partners for more information on how to participate in AFP or take advantage of Allied's growing feeder cattle marketing services and value creation opportunities.

All Beef, LLC and Allied Semen and Genetics: Check out our Allied Sire Directory and our industry partner offerings of All Beef sires. Simply the most comprehensive and commercial focused line-up of SimGenetics available. See too our growing list of prime Red Angus and Angus options. Rocky Forseth 406-590-7984

Data Genie: Fast, efficient data services from an experienced data manager can be among the most difficult to access in this business. Talk to Leoma Wells 559-696-4941 about her options for proven information services.

Allied Seedstock Marketing: Corey Wilkins 256-590-2487, Julie Mumin and rest of the genetics marketing team provide the most professional and customer focuses seedstock marketing options available, all backed by the growing list of Allied commercial customer service options.

RightMate, RightChoice and Future Focus Genetic Planning: New and game changing genomic technology powered by Top Genomics LLC combined with experienced consulting to get the most from these options and your genetic investment. The future will demand better genetics, so let's make a plan. Contact Marty Ropp 406-581-7835 for great opportunities.

At the core of the Allied family of businesses is access to the very best genetics and customer service in the beef industry. Becoming full service genetic providers has always been our goal, because it's always been important.
